What's China Consultants International doing about energy business in China?

Plenty.

Professional translation and printing of technical, legal, financial and training documents — fast, accurate, high quality presentation.

Research and consultancy on PRC energy markets.

Film, video, and slide presentations dubbed in Chinese.

Industrial advertising to PRC energy sector decision-makers; and from PRC exporters of energy-related products to overseas buyers.

Interpreters with technical language skills for business discussions.

Exhibitions, technical seminars, and catalog shows serving the energy sector.
