THE BEIJING REAL ESTATE REPORT

A guide to office, apartment, and hotel accommodations in China's capital

The Beijing Real Estate Report, a summary of Beijing's expatriate and tourist accommodations, contains comprehensive and timely information available to the public for the first time. Thoroughly researched by the staff of the National Council for US-China Trade in Beijing, the report includes:

- Detailed profiles of each of the 50 hotel, office, and apartment buildings now under construction in Beijing.
- Information on major projects slated to begin construction soon.
- Specifications for all office, apartment, and hotel accommodations now available to the expatriate and foreign traveler.
- A summary of China's real estate rules and regulations.
- Maps locating all projects, including those under construction. Maps will also cover other locations of interest to Beijing's expatriates, including ministries, hospitals, schools, and supermarkets.
