240 leading US companies belong to the US-China Business Council.

Shouldn't you?

Many of the largest, most successful US companies in China – including 55 of the top 100 companies in the Fortune 500® – have discovered that the US-China Business Council gives them access to valuable information, analysis and perspectives that they simply can't get elsewhere. The powerful voice of the US-China Business Council has proved uniquely effective in Washington on China policy issues affecting our member companies' interests.

From Quick Operational Solutions to Integrated China Strategies

The US-China Business Council has been providing a broad range of first-hand, in-depth information to members since 1973:

- **Consulting Services.** We provide timely, accurate answers to urgent questions and perform rapid-response research into any China business issue.
- **Publications.** *The China Business Review* has stood out as the world's foremost magazine on China trade and investment for over 25 years. Members also receive our monthly newsletter, *China Market Intelligence*, and in-depth reports on timely issues that affect their businesses.
- **Members-only Web Site.** You'll have real-time, online access to the Council, its publications and a wealth of detailed information.
- **Off-the-Record Briefings.** Discuss policy changes and their implications with experts and high government officials, and swap insights with executives who know first-hand the ins and outs of doing business in China.
- **Close Working Relationships with Chinese Counterparts.** From its Washington home office and field offices in Beijing and Shanghai, the Council can help you navigate the PRC bureaucracy and provide hands-on help for your operations throughout China.

Support China Policies That Help Build Business

In addition, the US-China Business Council is a respected voice in public policy discussions, both in Washington and Beijing. Our mission is to maintain a US policy environment that supports stable, positive relations with China. In fact, at China's request, the Council has frequently provided opportunities for US business leaders to meet with top Chinese officials visiting the United States.
