

The China Business Review

May-June 1989

Facing
the Financial
Challenge

The US-China Business Council Presents . . .

A Guide to

ORGANIZATIONS

Easy to use, concise reference to seventy of China's key foreign investment and trade organizations. Each entry provides contact names, addresses and functional descriptions. The Guide also features straightforward summaries of how China's bureaucracies interact to affect foreign trade and investment. Every China executive will find this an invaluable guidebook to the landmarks in China's changing economic environment.

*Members of the US-China Business Council may purchase **China's Trade and Investment Organizations** for \$65; the non-member price is \$95 (please add \$10 for international air mail orders). To order, send a check payable to The US-China Business Council to:*
