On Course, On Time, On Top of the World

Mediterranean Shipping Company (MSC)
has reached the summit in worldwide
container shipping.

A young company driven by a spirit of maritime tradition, MSC now ranks number two in ocean transportation providing top-level customer service. Geneva based, privately owned and financially solid, MSC credits its rising success to hard work, clear vision and focused sense of direction. Networked with their own offices around the world, MSC's business performance is basic – offering more services, capacity, and reliable consistent delivery for good value.

Foresight and a firm grip on the pulse of a progressive industry have MSC – *on course, on time and on top of the world.*
