How might I get Raiders' tickets in Beijing?'

'By staying at the Hotel New Otani Chang Fu Gong' Our Social Directors are there to help you get the most out of your stay. Whether it means calling our sister hotel in Los Angeles to secure ballgame tickets, or arranging a personalized

sightseeing tour of Beijing. They, as with all our staff are ready to assist you by providing that little extra service that makes such a difference.

Of course with traditional Chinese, Japanese and French restaurants, a well-stocked bar, fitness room, sauna and pool, you may not wish to leave

the hotel to explore Beijing's other treasures.

But isn't it nice to know that you

can call upon our friendly advice when you're 6,000 miles from home.

And still see Monday night's game.
